September is summer ending and fall starting! The temperatures are getting cooler at night. The leaves on the trees have started their change. School is in full swing, along with Fall sports. Football is back! For many of you, this may be your favorite time of the year. It is for me too! I love Fall. And as much as you want the long days of summer to hang on, another season of nature plays out. There's just no stopping it. *"As long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night will never cease."* Genesis 8:22

But there is a reason for every season. *"There is a time for everything, and a season for every activity under the heavens."* Ecclesiastes 3:1. The Bible also says, *"He made the moon for the seasons; The sun knows the place of its setting."* Psalm 104:19

As long as God gives you breath and activity on this earth to endure, know the reason for every season of your life. It's Jesus! And, just as the sun knows its place, know yours. *"... whatever you do, do it all for the glory of God."* 1 Corinthians 10:31b

*If you are missing from our list or we got it wrong, let us know!

We have a great opportunity to reach our community with our upcoming Church in the Park Event! This is happening during the Hemlock Sawdust Days Festival.

We need You to walk in the Parade that Saturday. We need You to help at our Church Information Booth. And then on Sunday, it is the Big Event!

This is more than a church service held outside. It is an opportunity to Show Up and Show Off - Show Up to Serve and Show Off - Worship God and Proclaim His Word!

Mission Focus: Matt & Anna Jo - New Life

What Has God Been Doing? Since we have arrived at LT, we have been moving at a rapid pace to train and equip students to be leaders in the faith. Our hope and vision for the program is to help students learn how to remain in Jesus as we are urged to do in John 15. This is what Christian leadership looks like - remaining in an intimate relationship with Christ and serving selflessly and faithfully like Jesus.

Personal devotional times have been a great opportunity for our students to remain in Jesus, in addition to our sessions and workshops where students are taught about specific Biblical themes and principles to practically apply to their own lives. We also both meet with a handful of students one-on-one in order to disciple them more intentionally, which has been one of our favorite parts!

Chase and Lei from Matt's home group and Anya, Theonie, and Ben from Anna's home group have all been thriving out at LT this summer, and it is clear that they are reliant on the LORD to sustain them as they draw near to him. We're super excited to be teamed up with these students to minister to Michigan's campus when we get back for the fall!

While we have spent time in a new place for the summer, we have gotten a new opportunity to invest in those outside of the church and be on mission for this community in New York! As we are on mission here, we have continually been praying for BOB (Burden for the lost, Opportunities to share gospel truths, and Boldness). This fresh engagement in missional rhythms is getting us excited for when school starts again as well as both of us are on the team planning our ministry's fall launch efforts.

PS. Matt finished his grad certificate a few weeks ago! Woot woot!

How You Can Help? Pray against spiritual attack for our students and for our staff team. Pray for BOB (Burden for the lost, Opportunities to share gospel truths, and Boldness). Pray for our fall launch planning - that we would hear the LORD's will for our campus. Pray for our remaining need for financial support (~\$2500/month)

Stay sweet,

Matthew & Anna Jo
